FLEXIBLE 8(a) BUYING METHOD: SOLE SOURCE- IDIQ

When an agency finds an 8(a) company that they would like to utilize on a regular basis, the agency may choose to award a Sole-Source Services IDIQ (Indefinite Delivery/ Indefinite Quantity) contract. Preparation of this IDIQ is very cost-effective for the agency as it minimizes the length of time involved in contracting out individual task orders and it is not as costly and time-consuming to award as a competitive IDIQ. This type of contracting mechanism can be awarded very similar to the sole-source contracting process.
